* This document is aimed primarily for air transport operators, describing operating hours during which airport infrastructure, air navigation and air traffic control are available. The hours in this document are based on the published flight schedules. If there are new or additional requests from airlines, the operating times will be adjusted accordingly to accommodate those flights. In any case, outside of these operating hours, airports will be open for emergency flights. Airport facilities such as the passenger terminal building will be open for longer periods than the hours described herein.

Airport Operating Hours (UTC)

Minimum buffer time is 15 minutes for flights coordinated for same parking position (applies to all airports).

LOCAL RULE S20 - Long Ground Time at Coordinated (IATA Level 3) Regional Airports

In the context of re-evaluating the Long Ground Time Restrictions at the Coordinated (IATA Level 3 Regional Airports), the following Local Rule **is abolished**.

All Coordinated (IATA Level 3) Regional Airports

Restrictions for the Long Ground Time of commercial flights at Coordinated (IATA Level 3) Regional Airports, including cargo flights, for the period **until October 24th 2020 (end of summer 2020)** are abolished.

Requests for slots, irrespective of the ground time length, will only be approved by HSCA or via OCS, without requiring an approval from Fraport Greece.

For flights with service type "X" with a long ground time more than 120 minutes, the restriction remains and HSCA should receive the long ground time approval by Fraport Greece before confirming the requested slot.

Abolishment of long ground time restrictions is valid only for the Summer 2020 season
